

Adjusted beta for Percent.Duplication

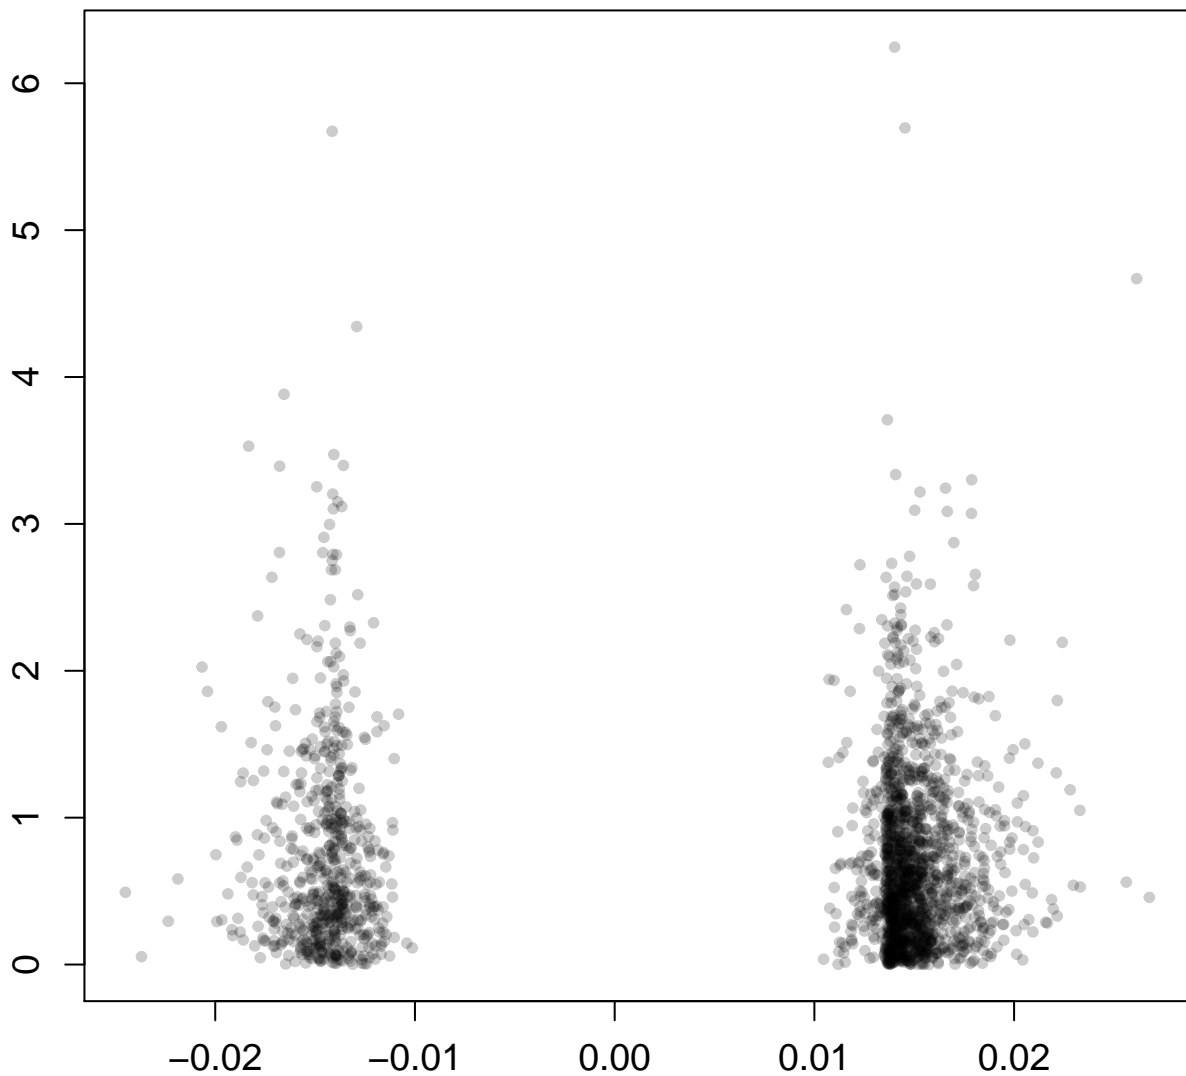

Original beta: interaction model

Agreement by sign: 100%

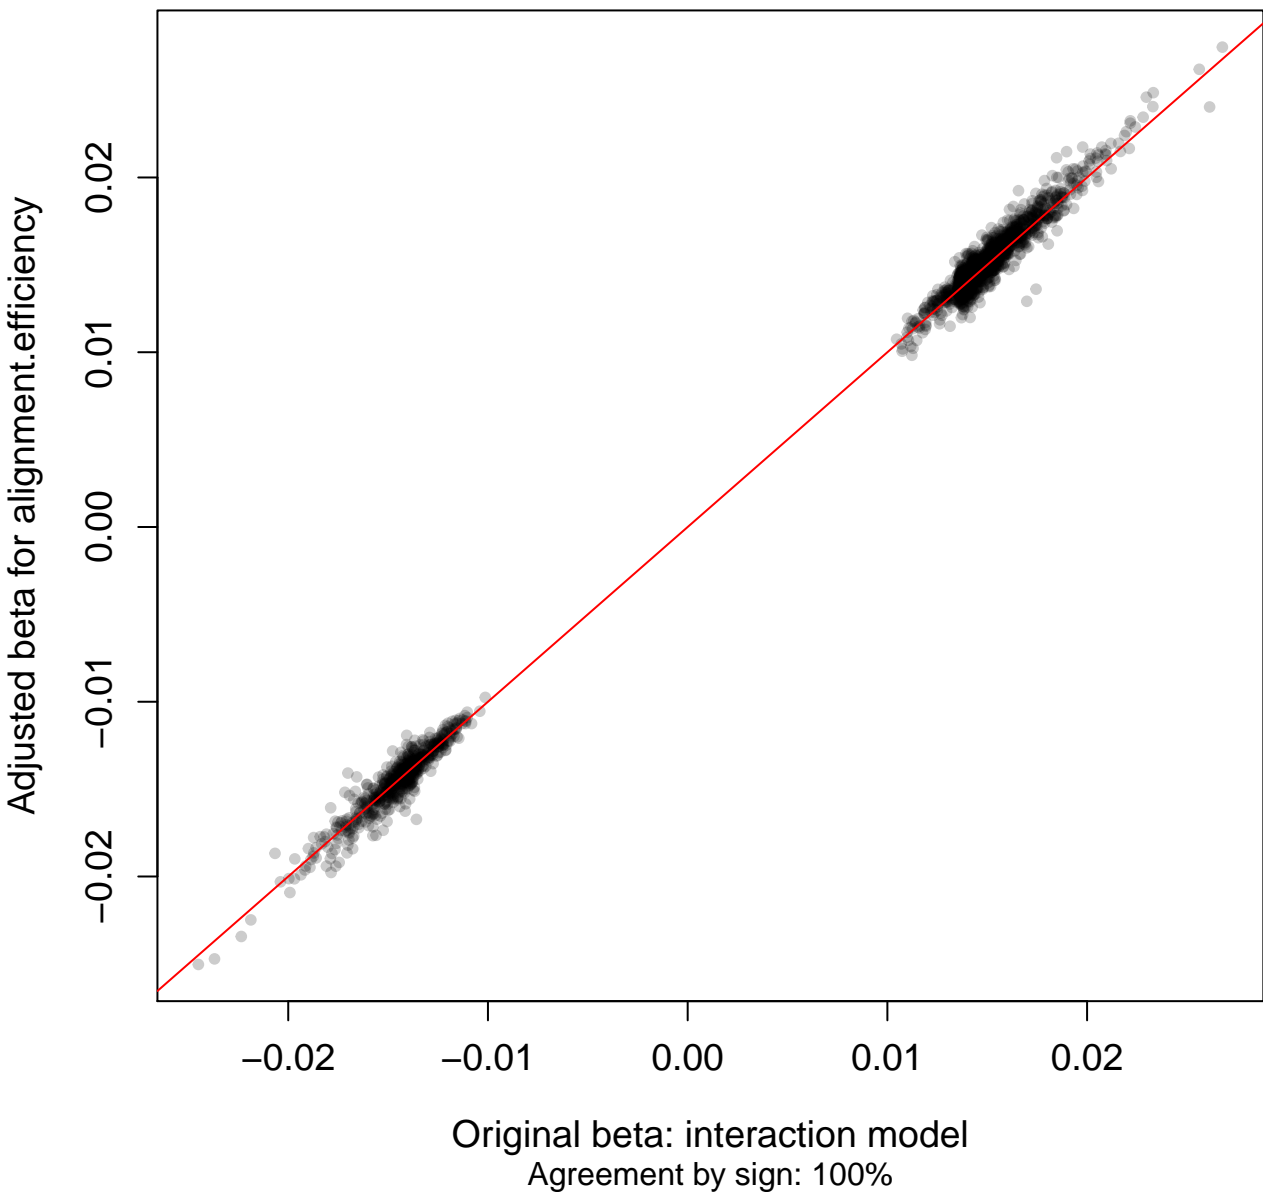

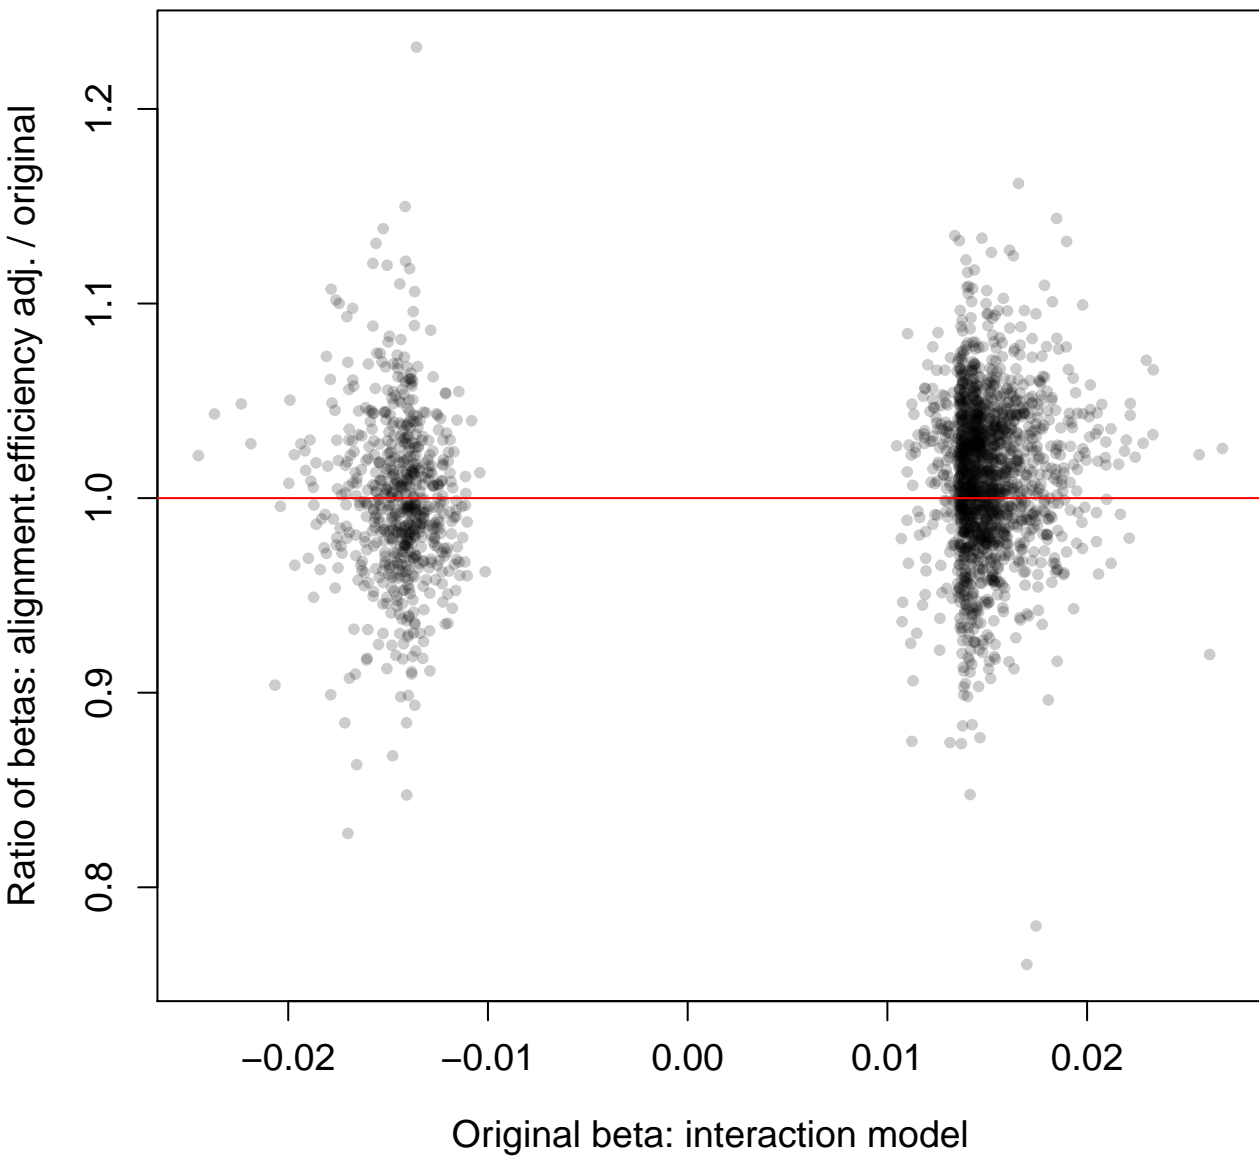

Absolute relative bias in percent for Percent.Duplication

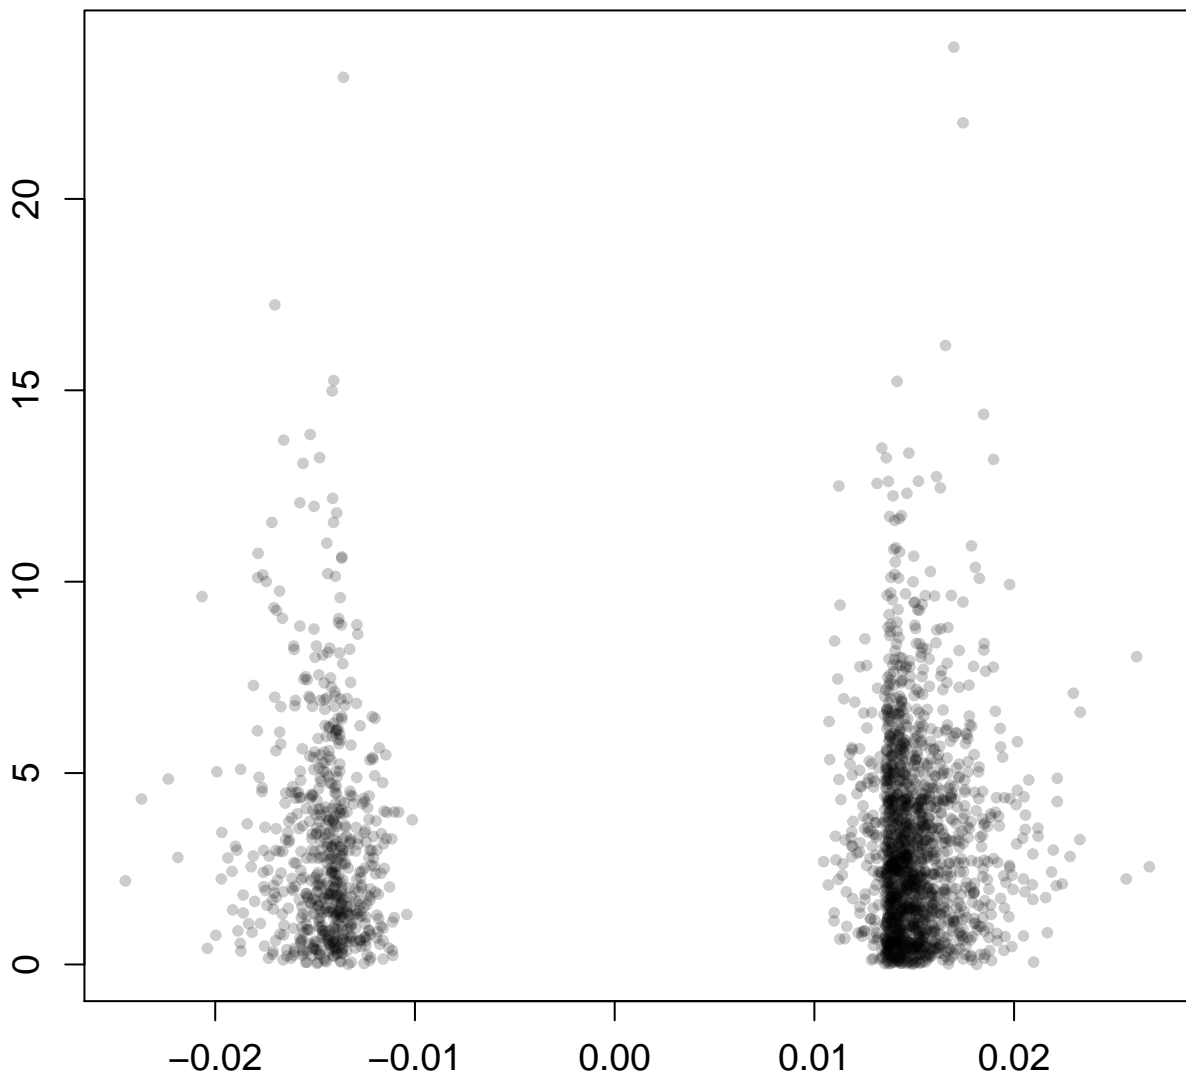

Original beta: interaction model

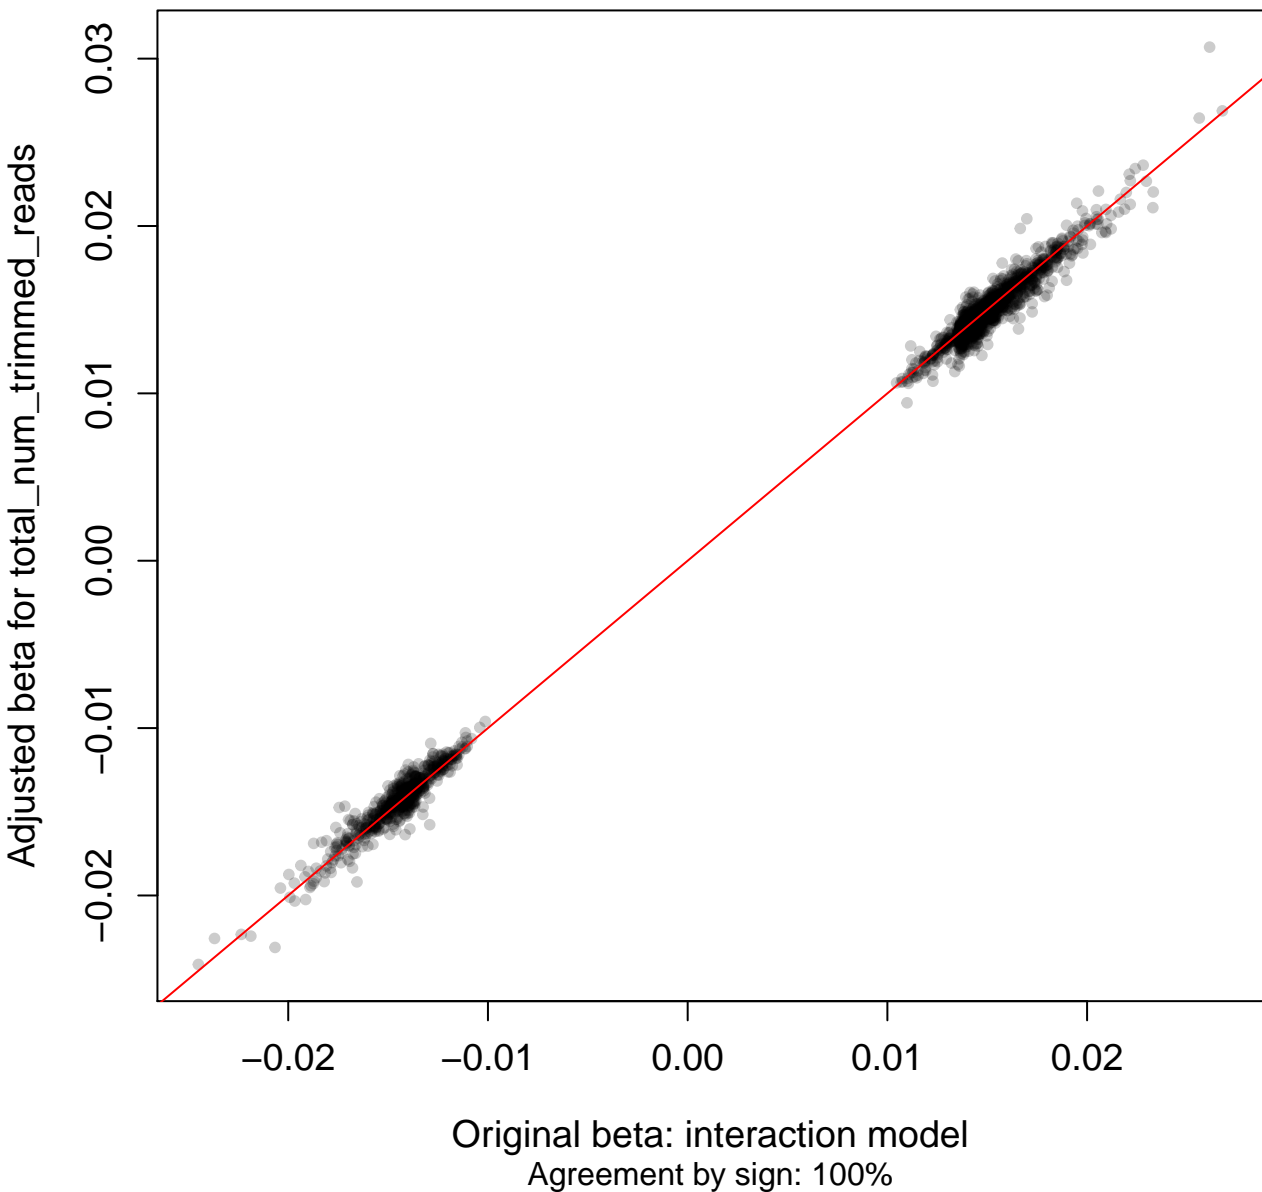

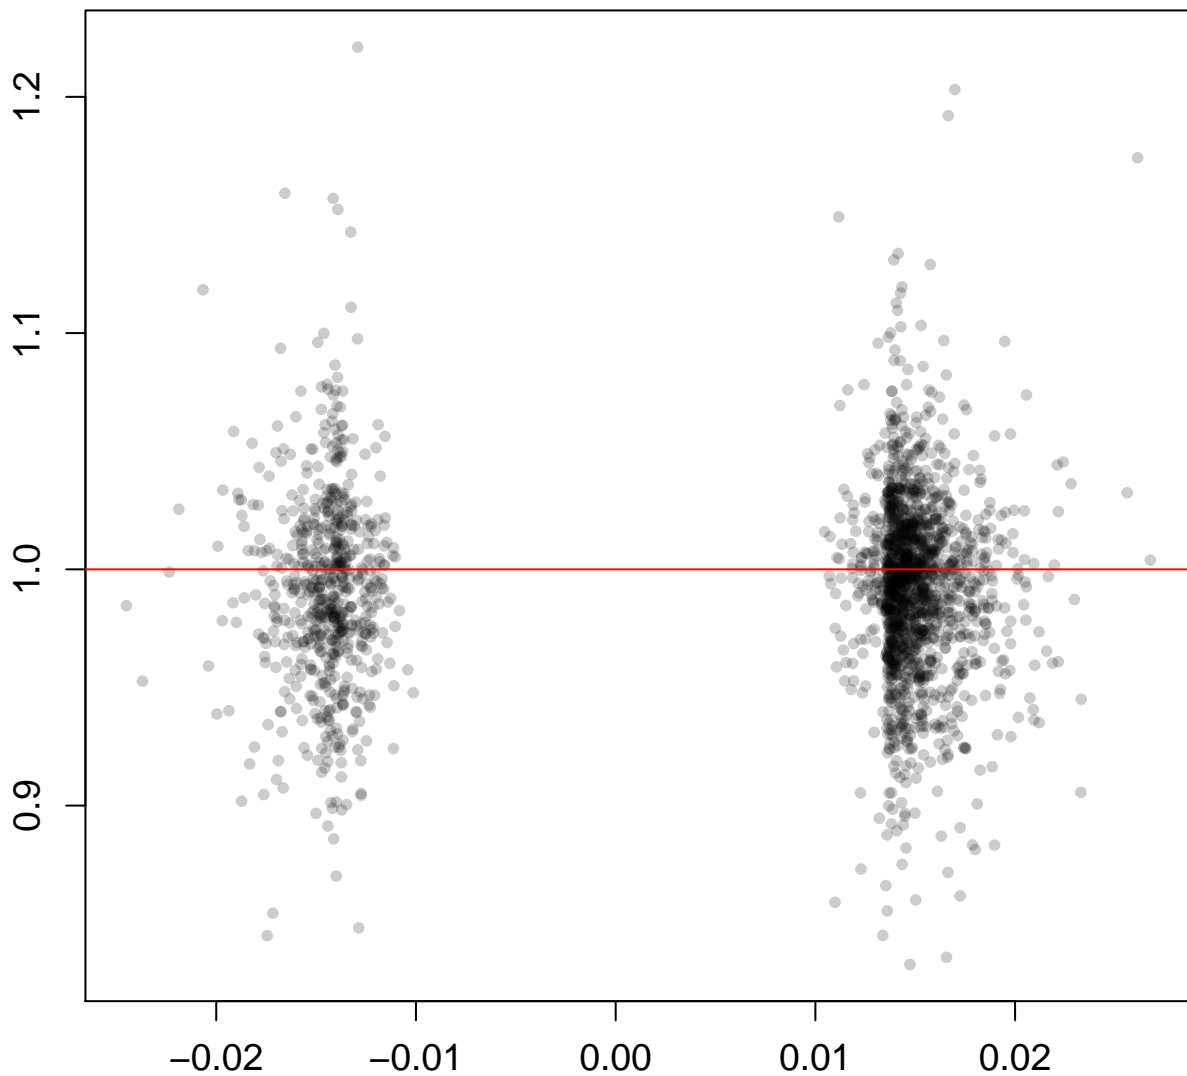

Absolute relative bias in percent for alignment. efficiency

Original beta: interaction model

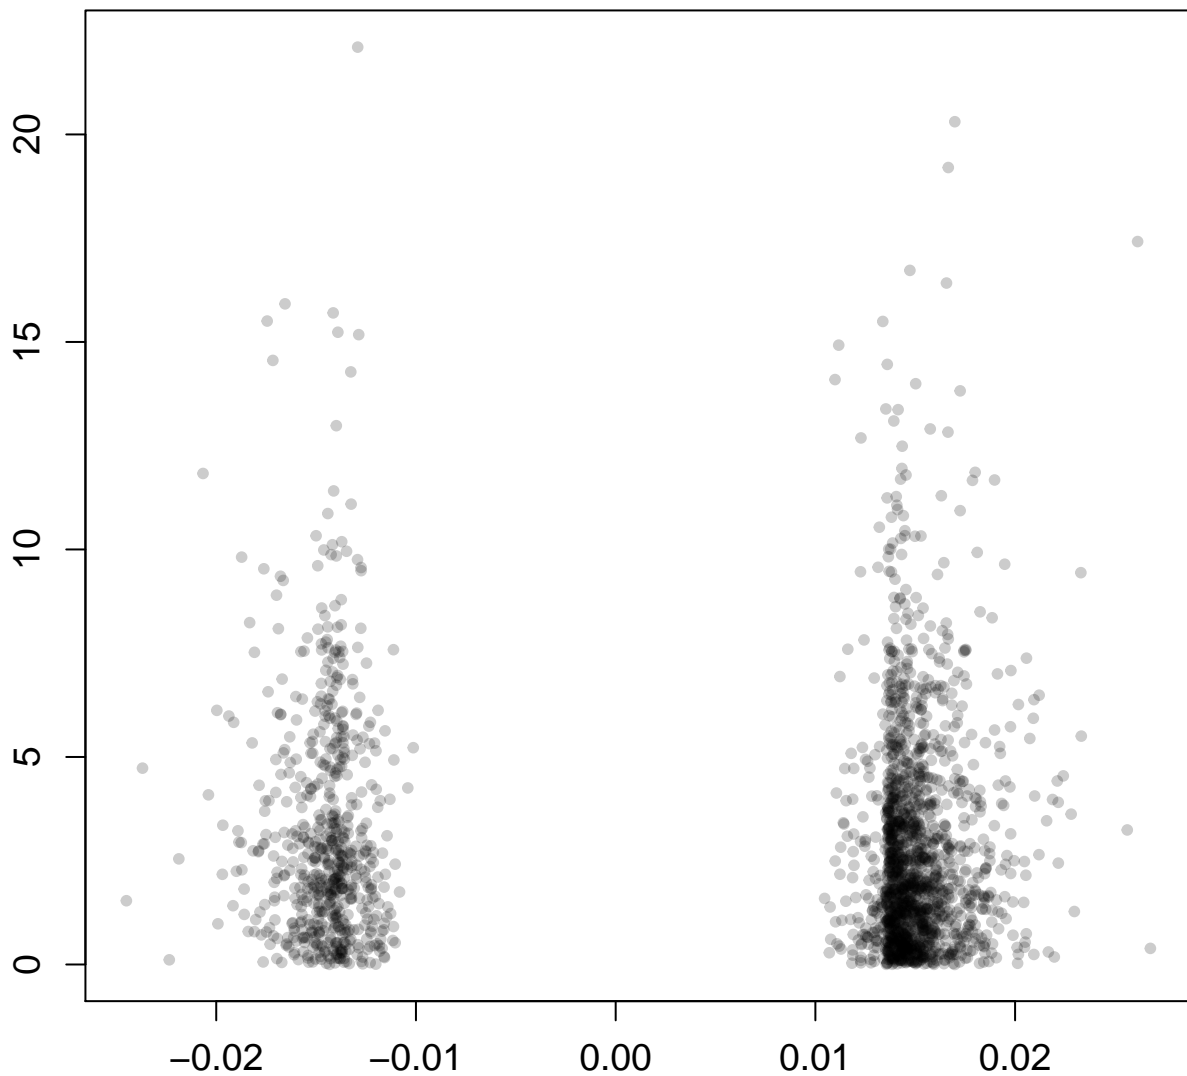

Ratio of betas: total\_num\_trimmed\_reads adj. / original

Original beta: interaction model

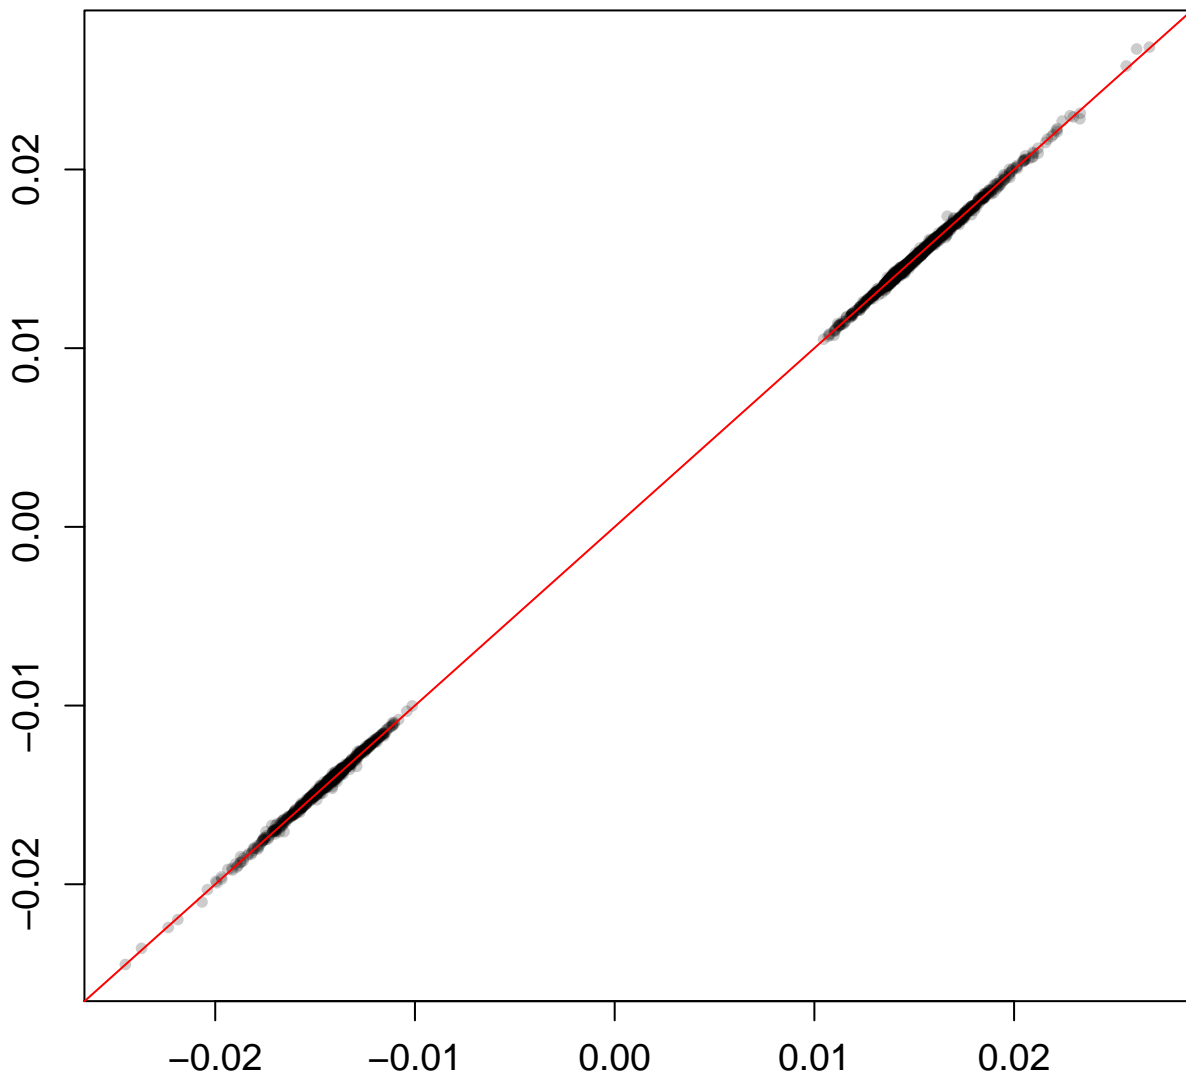

Absolute relative bias in percent for total\_num\_trimmed\_reads

Original beta: interaction model

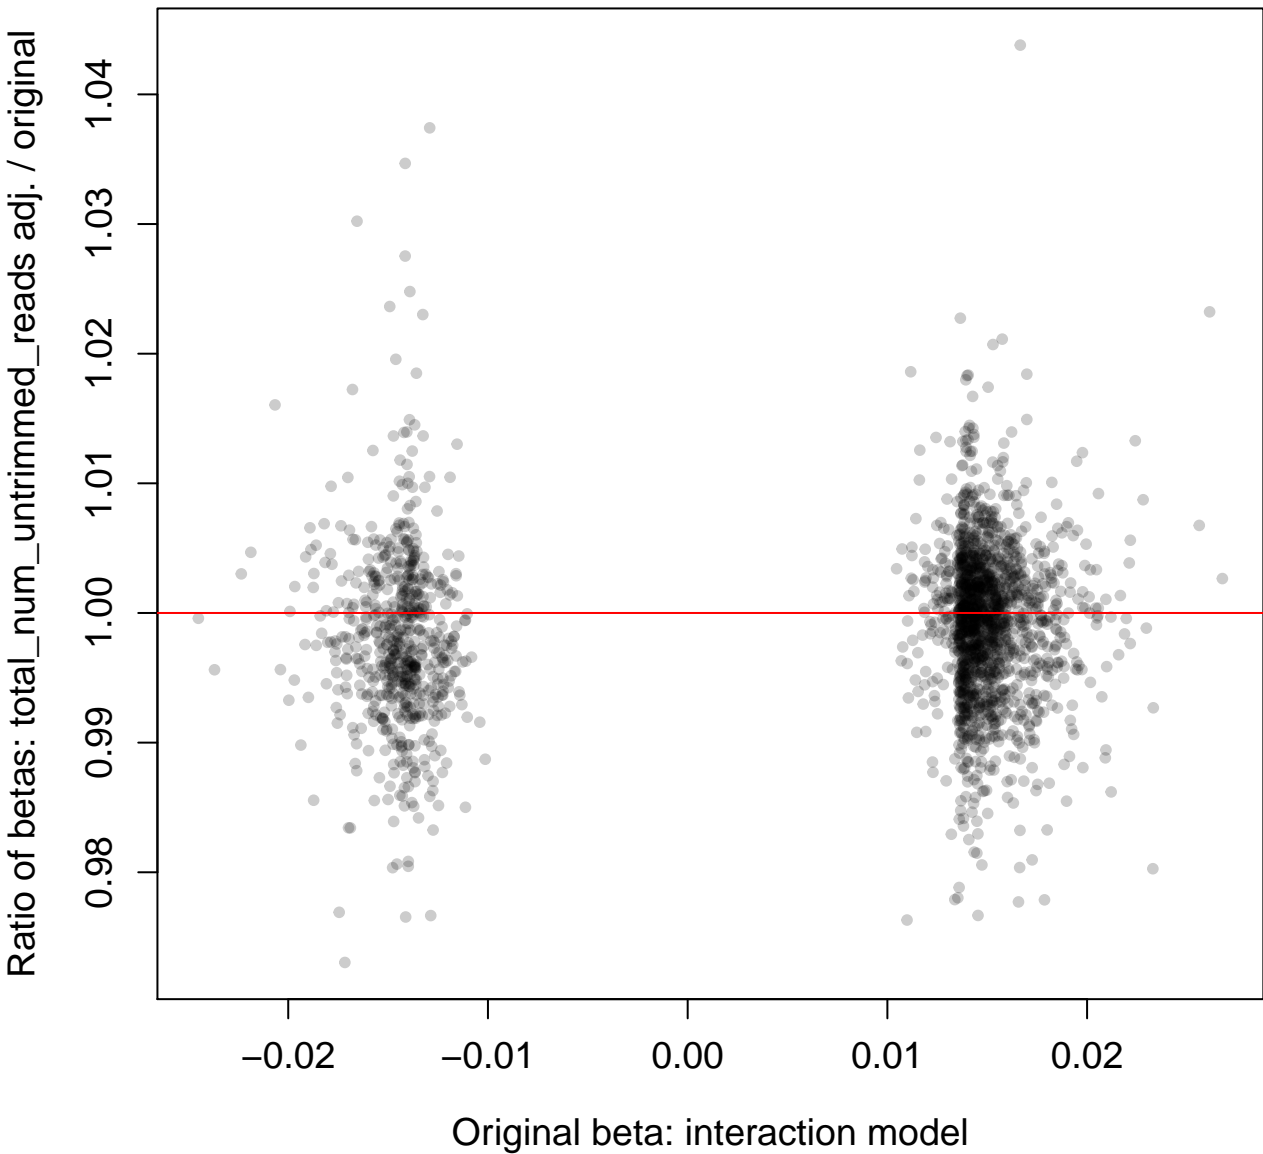

Adjusted beta for total\_num\_untrimmed\_reads

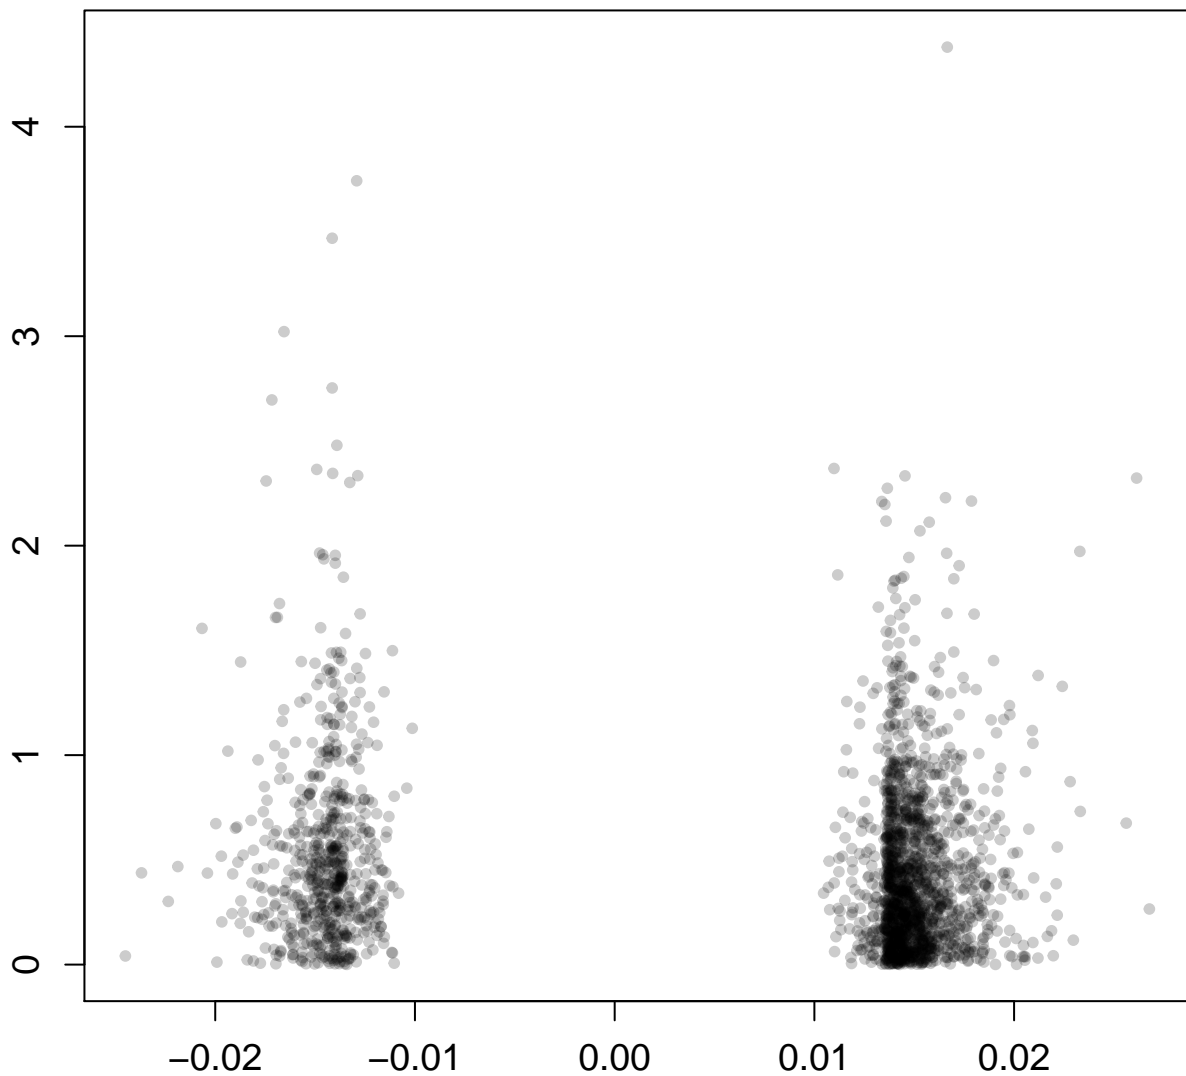

Original beta: interaction model

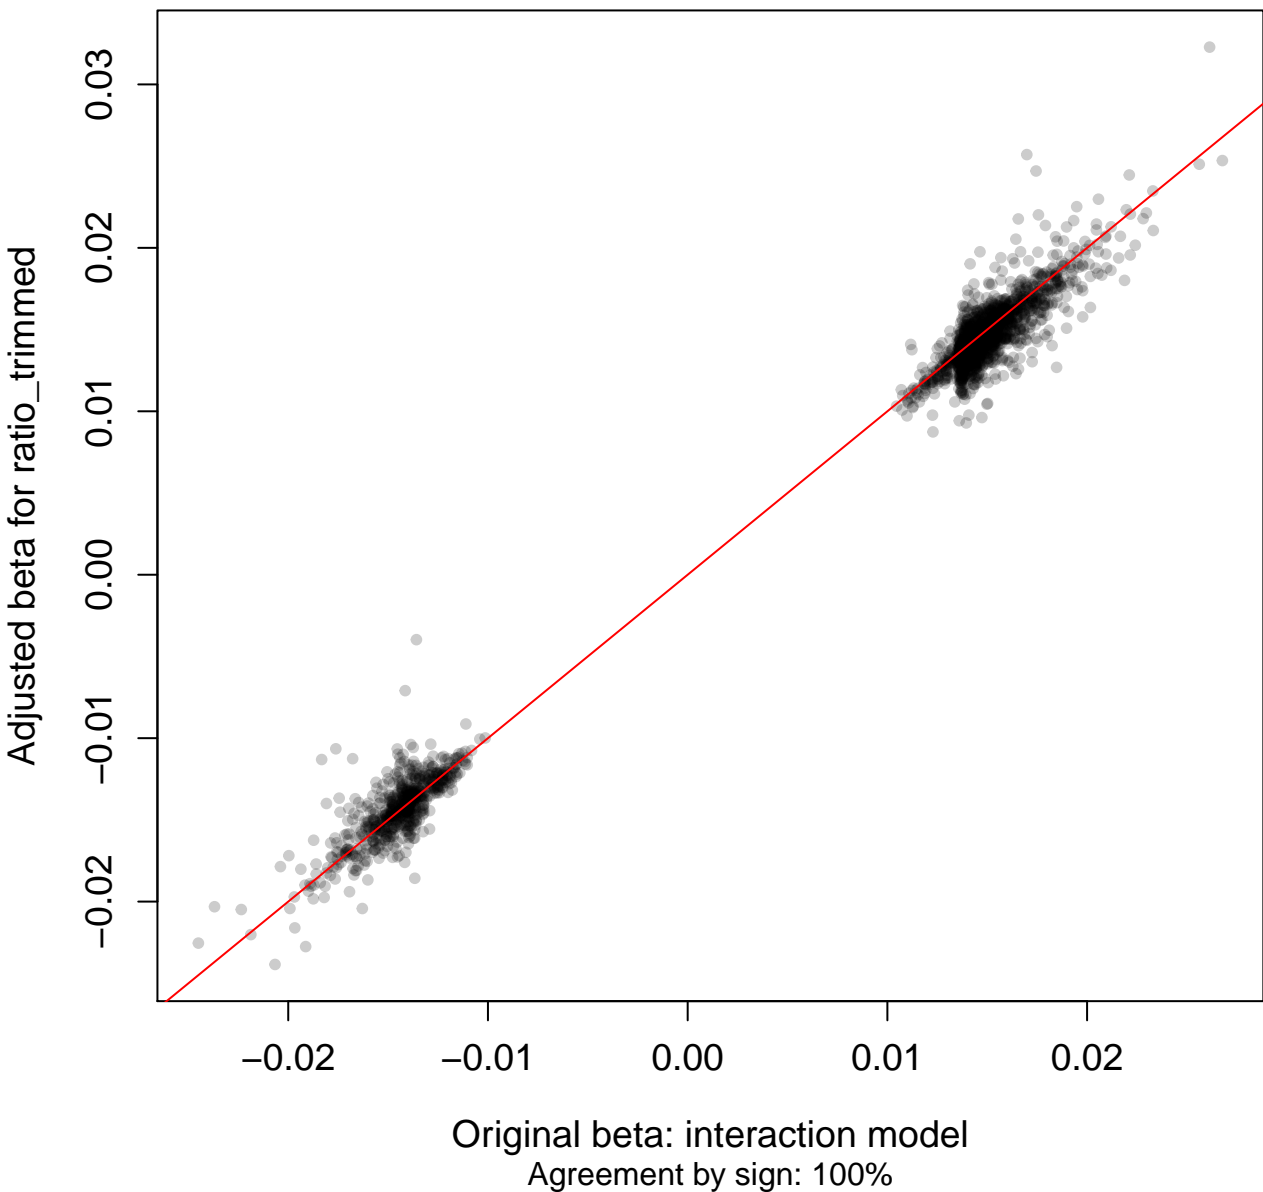

Agreement by sign: 100%

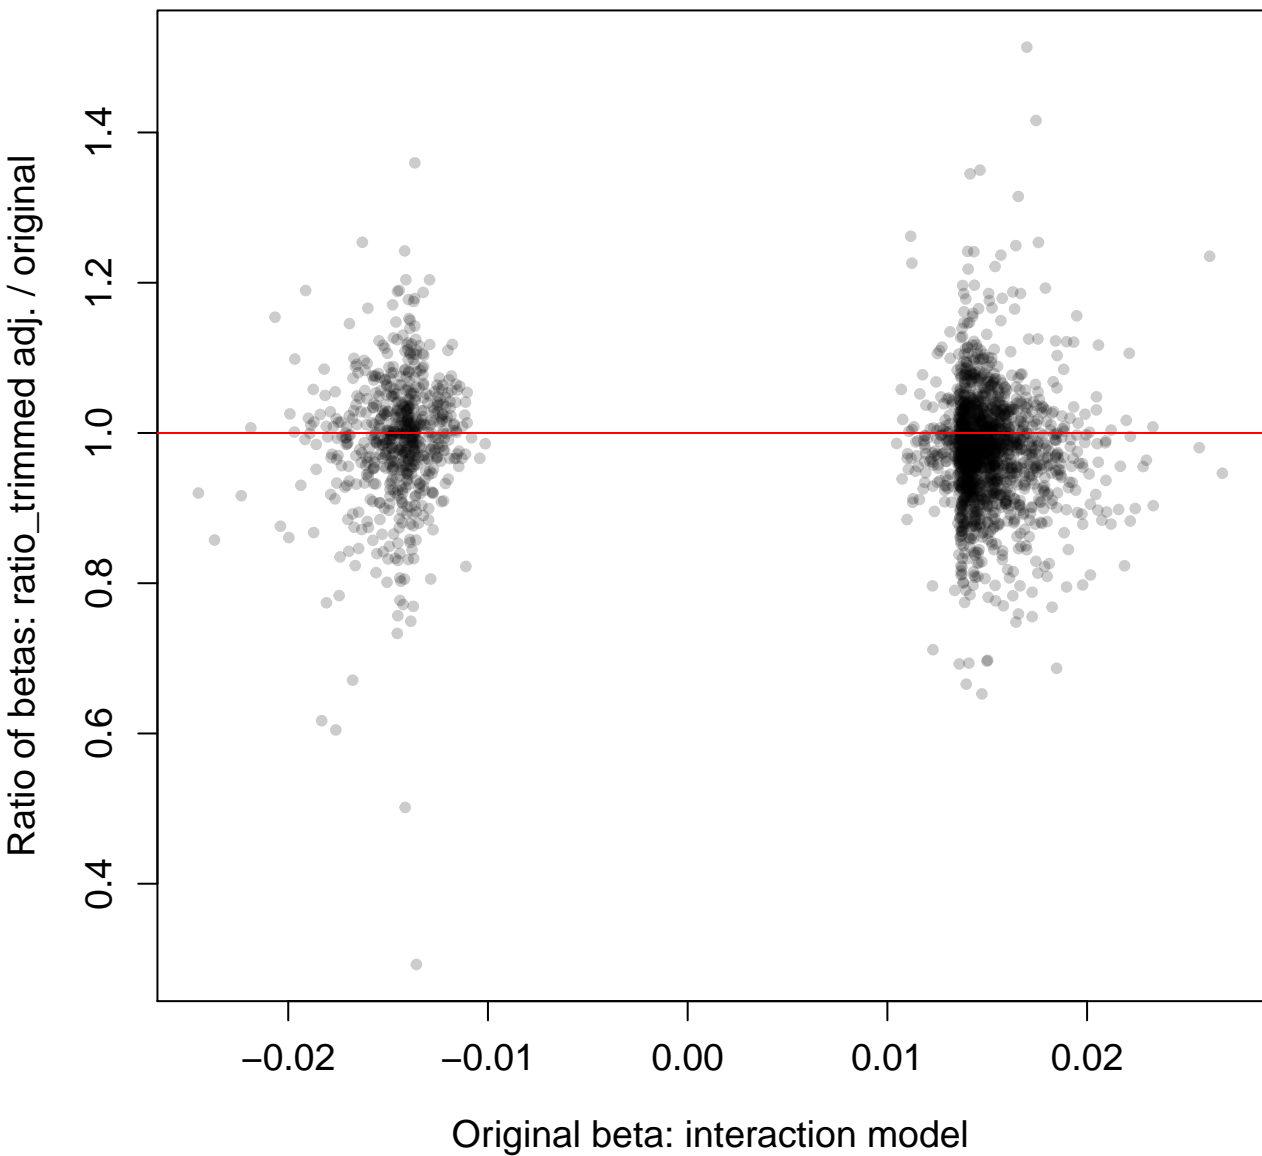

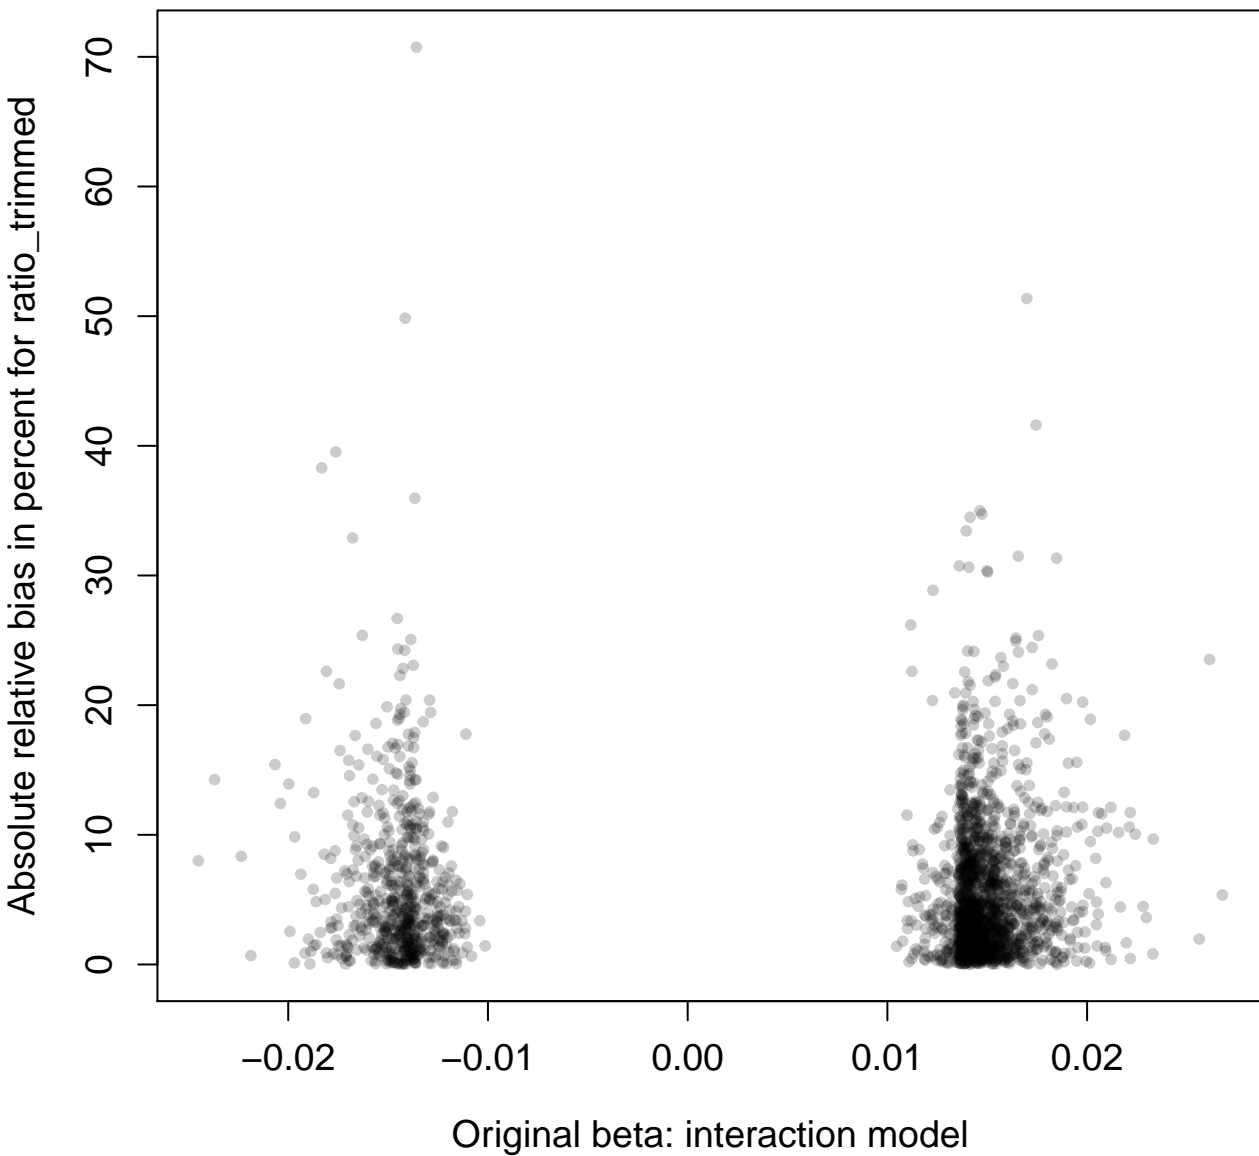

Absolute relative bias in percent for total\_num\_untrimmed\_reads

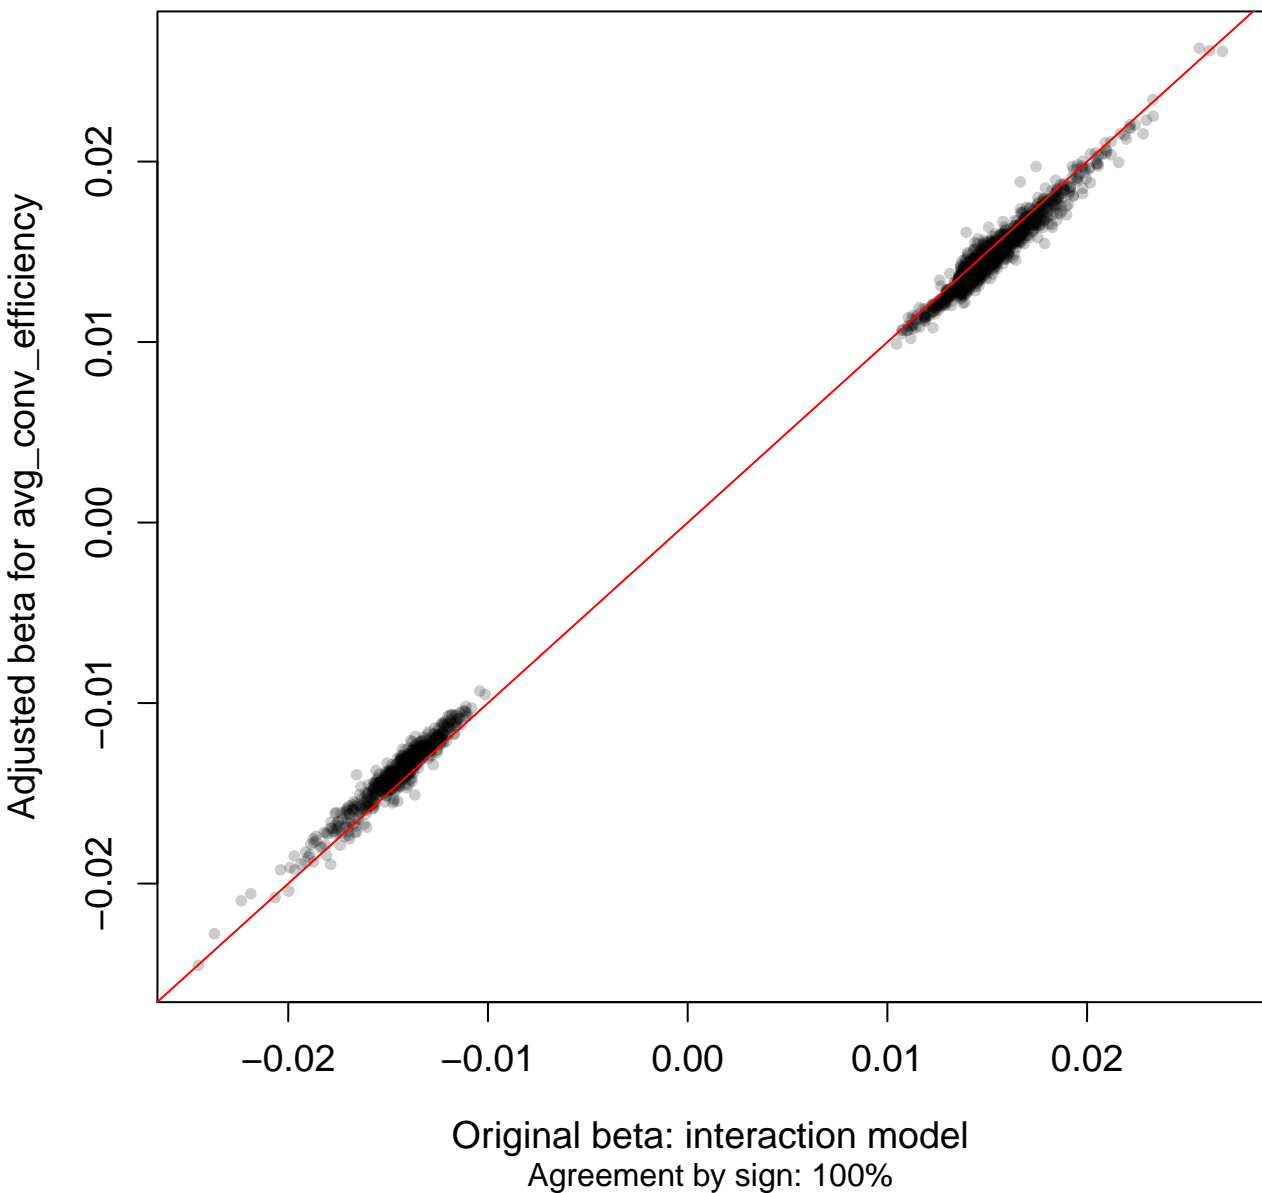

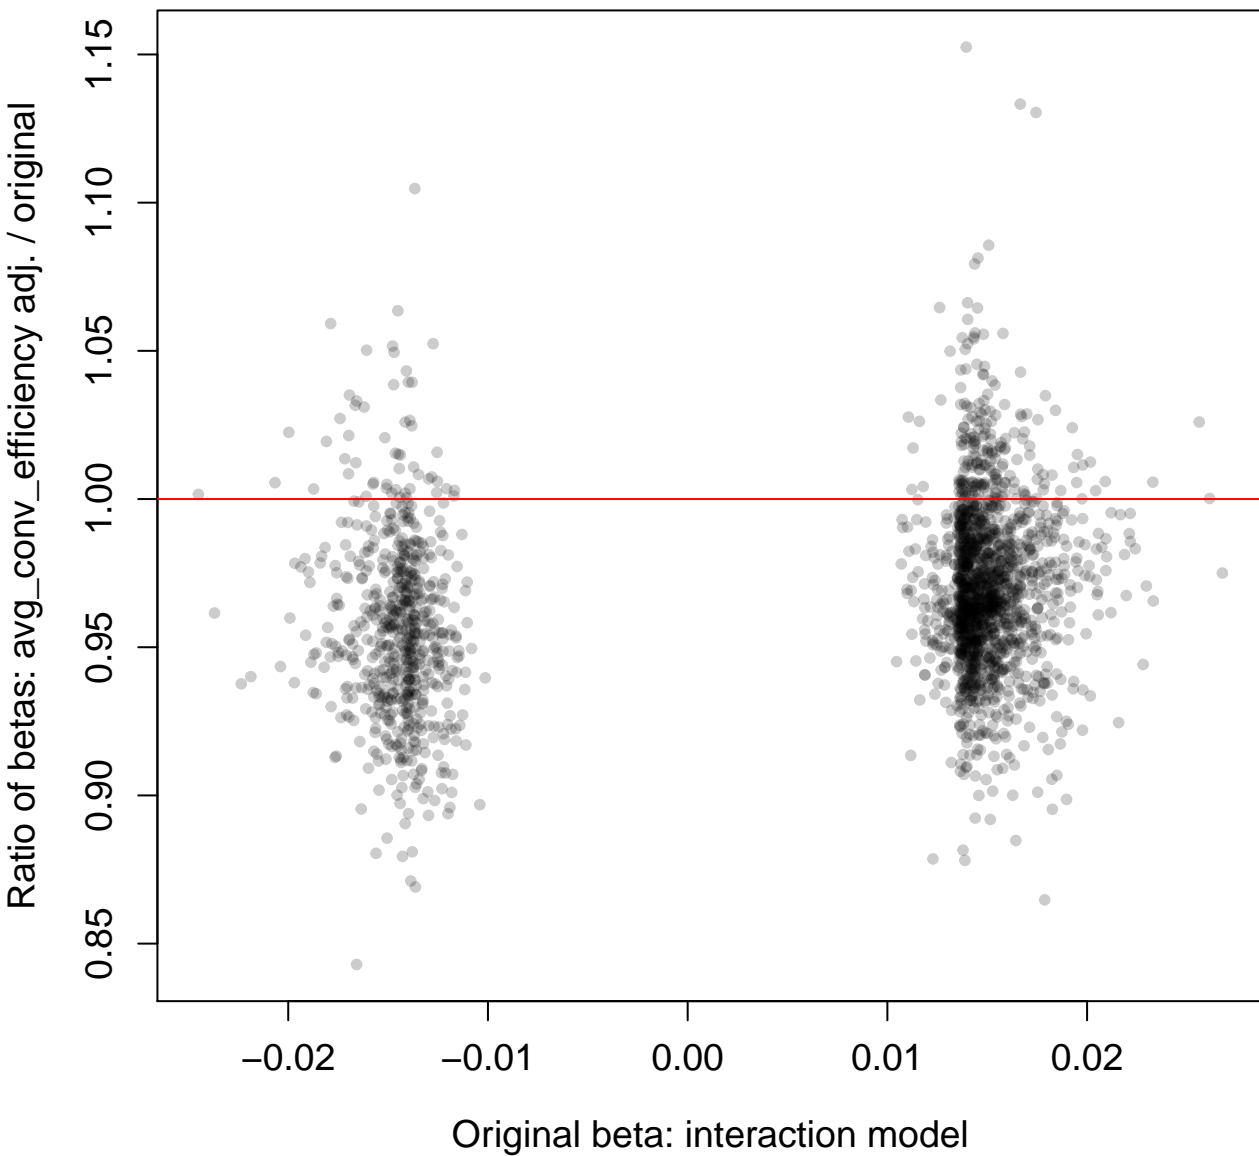

Original beta: interaction model
